

1. Vimshottari Dasa

What is Dasha & its application

A **Dasha (planetary period)**,

Time period during which a specific planet's influence dominates a person's life.

Application of the dasha system is an brilliant feature of Vedic astrology.

Natal Horoscope provides a **STATIC** picture of a native.

Dasha add the **DYNAMIC** aspect to horoscope.

The promises in a horoscope attains fruition when an right dasha operates.

The dasas help in timing the events.

There are numerous dasha systems advocated by sage Parashara.

The two very widely used dashas are:

- I. The **Vimshottari dasha**, with a cycle of **120 years**; and
2. The **Yogini dasha**, with a cycle of **36 years**.

Arsha Jyotish
Ancient Wisdom

Vimshottari Dasha & Dasha lord

The planet whose dasha is running is called the **dasha lord**.

The most commonly used Dasa system is called **Vimshottari Dasa**

Vimshottari means 120 years, the length of the entire cycle

Why learn DASHA & BHUKTI?

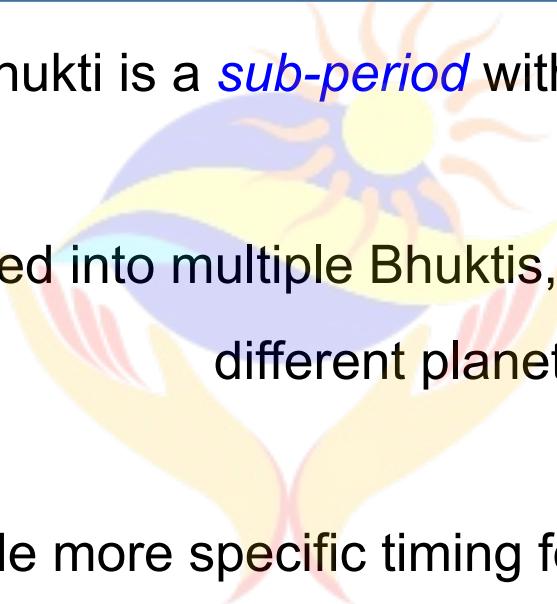

DASHA and **BHUKTI** are essential tools for understanding the timing and effects of planetary influences in a person's life.

A planet's themes fully emerge during its dasha.

The dasha system is the preeminent tool for prediction.....

1. To forecast with great accuracy and precision what kind of events will occur
2. To find "windows of time" when the resolution of issues is possible,
3. To know when our gifts will fully emerge.

Bhukti is a *sub-period* within a dasha.

Each dasha is divided into multiple Bhuktis, and each Bhukti is ruled by a different planet.

Bhuktis provide more specific timing for the effects of planets.

Arsha Jyotish
Ancient Wisdom

Personal Guidance: Dasa and Bhukti periods offer insights into an individual's life journey, helping people make informed decisions.

Karmic Understanding: They provide a framework for understanding the karmic influences at play in one's life.

Predictive Astrology: Astrologers use these techniques to make predictions about various life events, including career, relationships, health, and more.

Importance of Dasha lord

Dasha lord's the planet ruling the current dasha period, is of paramount importance in a person's life during that time.

Dasha lord's PLACEMENT in the birth chart,
Dasha lord's ASPECTS, CONJUNCTIONS, and STRENGTH
can significantly INFLUENCE the events
& EXPERIENCES
during the dasha period.

Everything a dasha lord influences is ACTIVATED during its period
the houses It OCCUPIES and RULES,
every planet ASPECTS,
and the THEMES it signifies
(e.g. Venus signifies relationships and vehicles).

Importance of Dasha lord

Benefic and malefic planets produce their results when their appropriate dashas operate.

Dashas help us in the timing of events.

The dasha periods of the planets associated with DUSSTHANA houses, MARAKA houses and their lords must be carefully watched for determining illness.

Arsha Jyotish
Ancient Wisdom

The **Vimshottari Dasa** is calculated based on the position of the Moon at the time of birth , so called Janma Nakshatra. The 120-year cycle is divided into major periods (Maha Dasas), each ruled by a planet.

1. Each Mahadasha is divided into sub-periods (Bhuktis) ruled by other planets.
2. The sequence of Mahadashaa starts with the planet of Janma Nakshatra (Nakshatra Moon is into at birth).

Calculation of Dasha

- The 27 nakshatras are divided into three groups of nine nakshatras each.
- These nakshatras are owned by the 9 planets
- Each planet is allotted a specific number of years over which it operates.
- The order of the dashas is also fixed.

<i>S.No.</i>	<i>Planet</i>	<i>Nakshatras</i>	<i>Dash a period (years)</i>
1.	Sun	3, 12, 21	6
2.	Moon	4, 13, 22	10
3.	Mars	5, 14, 23	7
4.	Rahu	6, 15, 24	18
5.	Jupiter	7, 16, 25	16
6.	Saturn	8,17,26	19
7.	Mercury	9, 18, 27	17
8.	Ketu	1, 10, 19	7
9.	Venus	2,11,20	20
Total No. of years			120

Calculation of Dasha — contd...

Each Nakshatra has a span of 13 Degree 20 minutes ($360D/27$) = 13D20mins

For Sun's Nakshatra, this 13D20M means 6 years,

For Moon's Nakshatra, this means 10 years and so on.

Say Moon is in *beginning of its nakshatra*,

a larger portion of the years allotted to it are yet to pass.

Say Moon is at the end of the nakshatra,

only a small fraction of the total allotted people will remain.

The **balance of a planet's dasha**,

is proportionate to the extent of the Moon's nakshatra which is yet to elapse.

Why Study Dasa & Bhukti

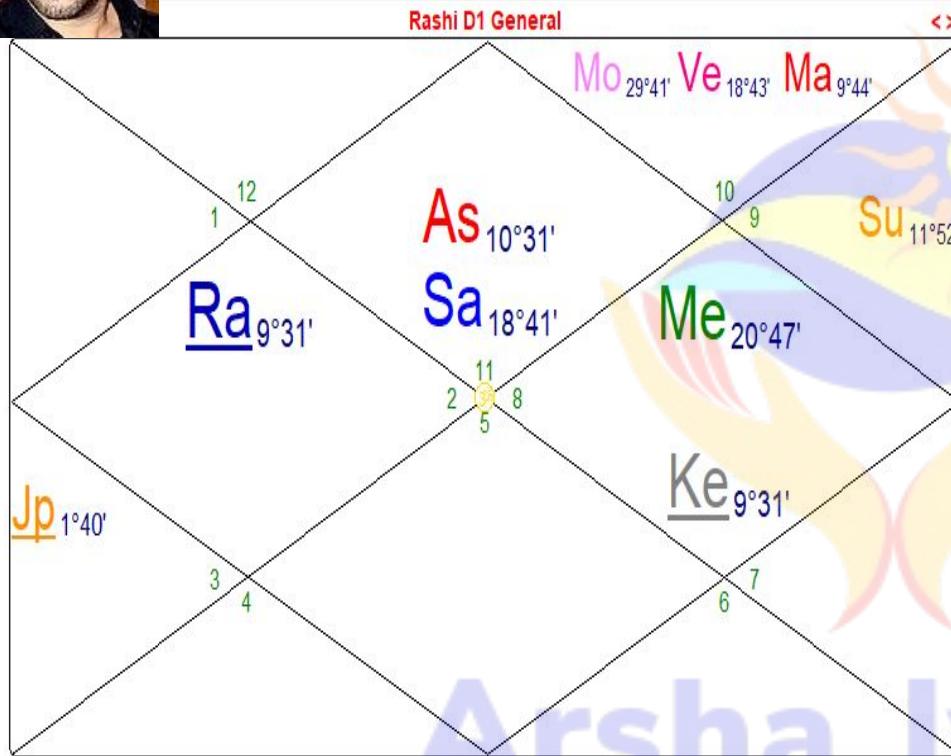

Personal Guidance: Dasa and Bhukti periods offer insights into an individual's life journey, helping people make informed decisions.

Karmic Understanding: They provide a framework for understanding the karmic influences at play in one's life.

Predictive Astrology: Astrologers use these techniques to make predictions about various life events, including career, relationships, health, and more.
